

# Mobile Application Development

---

## Session 3 – Additional Exercises

---

### 1. More Page Transitions

Add slide fade transitions to all links in the Zedland Hotel Finder App.

### 2. Additional Practice

Create pages for three or four 4 and 3 star hotels for the Zedland Hotel Finder App.

### 3. Reading

Explore the [jQuery Mobile Learning Centre](#).

### 4. Testing

Download and install [Adobe Edge Inspect](#) onto your mobile device(s) and onto your home desktop machine and use it to test your work from this session.
